reveal® HD+ Full Color Wafer Fixture Quick Start Setup Guide

Welcome to Cync!

You've chosen a great product to enhance your smart home living and entertainment.

There are 3 ways to get started, which are outlined in this guide. Use the native Cync App to connect all of your Cync products and get the full range of features. Connect via Matter to streamline your smart products. Lastly, with a professionally installed Savant System, a pro can commission this Cync product in your Savant home.

Learn more about all 3, and choose which set up is right for you.

Get Started With Cync

Enable all Cync features

Install your fixtures, and power on.

Scan QR code to download the Cync app and complete set up:

Get Started With Matter

Connect with other smart products

NOTE: If you already have Cync devices in the Cync App, add your new device to the Cync App, then enable your voice assistant.

Install your fixture, and power on.

Open your app of choice:

- Google Home
- Samsung SmartThings
- Amazon Alexa
- Apple Home

and scan the Matter QR code or enter the 11-digit code on the device sticker to complete setup.

Get Started With Savant
